# 2026 STICKS JUNIOR GOLF PROGRAM

**HOSTED BY: THE MORGAN ACADEMY**

We are happy to announce the continuation of the Junior Golf Program at Boulder Pointe GC for 2026. The newly named Sticks Junior Golf Program will be hosted again by The Morgan Golf Academy! The program is open to all juniors interested in learning about the great game of golf or wanting to expand their playing abilities. This program drastically grew in 2025 and we are expecting continued expansion. We are securing more instructors along with several new additions to the structure. All participants will receive a special tee shirt, water bottle and glove.

We have TWO great opportunities for junior golfers:

#### "The Academy":

Our Junior Golf Academy is for children ages 6 – 11 (or for those participants new to the game of golf). This academy will focus on the basic skills of golf. We will start with the fundamentals and work through the skills of the game. Every week the players will rotate stations and learn in small groups. As we progress through the weeks, students will even get an opportunity to experience playing on the course. This will be a fun, relaxed atmosphere which we hope will create players for life!

Boys/Girls Ages 9 – 11: 8:15 – 9:30am

Boys/Girls Ages 5 – 8: 9:45 – 11:00am

\*It is best that all participants have their own clubs. If you need help getting your child a set or if they have outgrown their current set of clubs, please contact the BPGC golf shop or Rich Morgan for assistance. We have arranged special pricing and shipping for Callaway and Taylor Made junior sets if ordered through us. \*

#### "The League":

Our Junior Golf League is for children ages 12 – 17. This league is for players who have already played on the course and feel comfortable doing so. We will have supervision and make sure that things stay on pace. We will also be there to provide advice, support and guidance during the rounds. On course teaching is extremely important for developing players. Players can choose between 5 holes or 9 holes.

Boys/Girls Ages 12 – 17 (9 holes): 8am tee times

Boys/Girls Ages 12 – 14 (5 holes): 8am tee times

Please plan to arrive 20 minutes early to warm up
